

Donaldson Keeps Our Troops Moving

The Bradley M2/A3 Fighting Vehicle relies on a Donaldson air cleaner and muffler.

Did you know...

That Donaldson designs and manufactures filtration and exhaust products for large variety of defense applications and equipment? These are just a few...

The LCAC Hovercraft uses Donaldson Strata™ panel filters to supply clean air to its engine.

Shoptalk

Donaldson Defense Group introduced the Strata™ tube precleaner on the Sikorsky CH-53 Helicopter.

We've designed filters to perform in extreme environments. Our filters have been used worldwide in the roughest military applications, effectively filtering air and exhaust, as well as transmission fluid, hydraulic systems, lube oil, coolant and fuel.

More information on aerospace and defense applications is available online at www.donaldson.aero
