

Question: Will Using Aftermarket Filters or Mufflers Void My Warranty?

Answer: Good News! No need to worry about voiding your warranty – you can use aftermarket products! You still need to follow your manufacturer's recommend maintenance practices, but your warranty is protected under the Magnuson-Moss Warranty Act. Information on the Magnuson-Moss Warranty Act is available at <http://www.ftc.gov/bcp/edu/pubs/business/adv/bus01.shtm>.

In addition, Donaldson warrants its aftermarket products against failure due to defects in materials and workmanship for the period specified under Terms and Conditions for the particular product. More information is available at www.donaldson.com/en/engine/support/datalibrary/000194.pdf.
