

## Question: Will Using Aftermarket Filters or Mufflers Void My Warranty?

**Answer:** Good News! No need to worry about voiding your warranty – you can use aftermarket products! You still need to follow your manufacturer’s recommended maintenance practices, but your warranty is protected under the Magnuson-Moss Warranty Act. Information on the Magnuson-Moss Warranty Act is available at <http://www.ftc.gov/bcp/edu/pubs/business/adv/bus01.shtm#Magnuson-Moss>.

In addition, Donaldson warrants its aftermarket products against failure due to defects in materials and workmanship for the period specified under the Terms and Conditions for the particular product.
