California Air Resources Board –
CARB's home page

www.cece-eu.org

Committee for European Construction
Equipment – The Voice of the European
Construction Equipment Industry

www.dieselforum.org

Diesel Technology Forum – Clean diesel projects

www.dieselnet.com

DieselNet – Online information service on clean
diesel engines and diesel emissions

www.enginemanufacturers.org

Engine Manufacturers Association – Home page

www.epa.gov

Environmental Protection Agency –
Includes EPA Clean Diesel Program, EPA Heavy
Duty Highway Engines Page and EPA Verified
Diesel Retrofit Technology

www.filtercouncil.org

Filter Manufacturers Council – News and
technical data on all types of heavy duty filters

www.powersys.com

Power Systems Research – Global market
research specializing in the engine, original
equipment and components industries

www.sae.org

Society of Automotive Engineers – Home page

www.swri.org/12ARAreas/EFL.htm

Southwest Research Institute –
Technical research on Engines, Fuels,
Lubricants, & Vehicle Systems section
