

## Smaller. Smarter Dust Collectors.

Think all baghouse dust collectors and filters are the same? Not anymore. New from Donaldson® Torit®, these smaller-sized collectors save floor space, allow point-of-use positioning, require less steel, reduce transportation costs, demand less maintenance and deliver better filtration.

**INNOVATION**

# PowerCore®

**Smaller. Smarter Collectors.™**

## Introducing Torit® PowerCore®

Torit PowerCore dust collectors with PowerCore filter packs are the first major baghouse advancement in decades. Well proven in engine filtration and backed by 100 pending and issued patents, smarter Torit PowerCore technology is now at your fingertips. Just one 7-inch PowerCore filter pack replaces six 8-foot filter bags.

**Smaller is Smarter.**
