	More than 30,000 miles		Do not extend greater than 60,000 miles (filter and oil change)	Donaldson Endurance Plus ¹	No
OEM approved synthetic grades	Extended drain (for fleets servicing beyond OEM recommendations)	Up to or equal to 30,000 miles	Up to or equal to 60,000 miles (filter change only)	Donaldson Endurance	Yes
		Greater than 30,000 miles	Do not extend greater than 60,000 miles (filter change only)	Donaldson Endurance	No

How To Select a Donaldson Endurance Filter

Our on-line cross reference will cross your current part number to your Donaldson Endurance lube filter option.

Go to www.donaldson-filters.com, select Cross Reference from the blue bar on the right side of the page.

Enter the competitive part number you're currently using, click on search and one of the choices returned should be a Donaldson Endurance Plus part number (it starts with an ELF).

To download our Donaldson Endurance cross reference document from our web site go to www.donaldson.com/en/engine/support/datalibrary/000834.pdf
