

## W-Foot Mounting Bands Designed To For Donaldson Air Cleaners

- Durable, corrosion resistant, steel construction
- Fully engineered and tested to resist the adverse effects of vibration
- Mounting band feet are designed to ensure maximum torque pressure, continuously
- Air cleaners require minimum of two mounting bands per housing
- Gauge of steel increases as diameter of mounting band increases
- Bright stainless models available
- Bolt and nut included with mounting band

Most of our air cleaners with metal housings require two mounting bands.

Two models (H770068, H770037) have different foot band compared to others.

## Mounting Bands Designed Exclusively for the FPG Series

**WARNING:** Do not use any other mounting bands or straps with FPG air cleaners. Use of an unapproved mounting band voids warranty.

### Polymer Mounting Band

The one-piece, high tech polymer mounting band will securely hold the housing in position. The band has tabs on the inside circumference which fit exactly into notches on the FPG housing. Donaldson polymer bands are completely non-corrosive, lightweight, easy to install, and economical.

The band tightens around the air cleaner when the base of the band is bolted to a support, providing a fixed, stable mounting – even in high vibration applications.

Use on G04 and G05 FPG Air Cleaners.

Use on G06-G10 FPG and Alexin Air Cleaners. Bands have spring-loaded screws

### Metal Mounting Band

The metal mounting band has a spring-loaded bolt at the top to maintain a constant hold on the housing throughout high and low temperature extremes.

### Maximum Torque

Polymer Bands:  
11 lbs.-ft. / 14.8 N•m

Metal Bands:  
12 lbs.-ft. / 16.2 N•m

### Application Note:

To accommodate even hard-to-fit applications, polymer bands allow the air cleaner housings to be rotated and positioned at various increments, depending upon the size:

Housing Diameter	Increment
4.80" (122mm)	11°
5.75" (146mm)	10°
6.74" (171mm)	7.5°
7.19" (183mm)	7°
8.35" (212mm)	5°

### FPG Mounting Bands (Order one band per FPG air cleaner)
