

How may I apply?

You must complete and submit the scholarship application and mail it along with a current complete transcript of grades to Scholarship America postmarked no later than March 15. Applicants will receive acknowledgment of receipt of their application within three weeks, verifying the application has been received.

How are recipients selected?

Donaldson's Scholarship Program is administered by Scholarship America. No employee of Donaldson is involved in the selection of the recipients.

Scholarship recipients are selected on the basis of academic record, potential to succeed, leadership and participation in school and community activities, honors, work experience, a statement of educational and career goals, and an outside appraisal. Financial need is assessed to determine the award amount. Recipients who do not meet the financial need criteria or that choose not to supply the requested financial information will be eligible to receive a scholarship at the minimum award amount.

Applications for the next scholastic year will be accepted until postmark March 15 of the same calendar year. All applicants will be notified in May.

The number of scholarships awarded is limited to a maximum of 25% of the number of applicants. The selection procedure is managed by Scholarship America and the funds are made available by the Donaldson Foundation.

Donaldson Scholarship Program

Scholarships offer students of Donaldson employees financial assistance to achieve their degree. The program is administered by Scholarship America which establishes the award criteria and has sole authority for selecting award recipients. Scholarships are awarded on the basis of academic record, potential to succeed, leadership and participation in school and community activities without reference to race, creed, color, age, gender, religion, disability, or national origin. Scholarship application forms are available online.

Who is eligible?

To be eligible to compete for an award, you must be:

- a dependent child (including an adopted or stepchild) of an active, U.S. employee who has at least one year of continuous and active service with Donaldson prior to the date of the scholarship application or a dependent child (including an adopted or stepchild) of a retired (normal retirement as determined by the Committee and someone over the age of 55) U.S. employee with 25 or more years of continuous and active service with Donaldson prior to the date of the scholarship application, and
- a high school senior or graduate who plans to enroll, or who is already enrolled, in a full-time undergraduate course of study at an accredited two- or four-year college, university or vocational/technical school.

How much is the award?

Under Donaldson's scholarship program, the amount of an award is based on the financial need of the applicant and can range from \$2,000 to \$3,000 for tuition and academic fees for each year of full-time study in any post-secondary education program. Awards may be renewed for up to three additional years or until a bachelor's degree is earned, whichever occurs first. Renewal is contingent upon satisfactory academic performance in a full-time course of study and continuation of the program by Donaldson. Awards will be granted for undergraduate study only.

How are awards paid?

Scholarship payments are processed by Scholarship America in two equal installments on August 15 and December 30. Checks will be mailed to each recipient's home address and will be made payable to the school for the student's account.

Am I obligated if I receive an award?

No. The recipient of a scholarship may select any accredited college or school and pursue any full-time course of study. The scholarships will run for a customary four years covering the undergraduate level, provided the recipient maintains satisfactory academic and personal standards.

What are my responsibilities?

You are solely responsible for applying for admission to a school or college, meeting the entrance requirements, and gaining admission to the school or college. You are also responsible for gathering and submitting to Scholarship America the information necessary for selecting Donaldson scholarship recipients.

If you receive a scholarship, you must enter school or college no later than the fall term of the year of the award.

Exceptions to these conditions must be requested in writing to Scholarship America for review. Recipients are required to notify Scholarship America of any changes in address, school enrollment, or other relevant information and must send a complete transcript when requested.

What are the requirements for the continuation of the award?

You will receive a short renewal form from Scholarship America with your December check. You must complete and submit the form to Scholarship America postmarked no later than February 1.
