## Cellulose Air Filter now Available for Mack Trucks P645114

## You have a choice between two air filters for Mack Granite and Pinnacle trucks

### DBA5114

Donaldson Blue® with Ultra-Web® media that meets Original Equipment (OE) specifications. Provides the best engine protection and filter life in the most-challenging conditions. Donaldson Blue filters reach higher efficiency levels faster with an overall efficiency up to 99.99%, while offering “twice the life”\* in on-road applications.

### P645114

Donaldson filter with cellulose media that meets application requirements. With 99.9+ % efficiency, this filter provides effective performance and life at a lower purchase price than the Donaldson Blue filter.

Donaldson filters deliver the right combination of quality and value that help keep your trucks on the road.

\*In **on-road trucks**, Donaldson Blue® extends air filter service intervals. We offer a “Twice the Life” guarantee only for on-road truck fleets.
