Fuel Filter Water Separators for Racor® Fuel Systems

Racor® is a registered trademark of Parker Hannifin Corporation

You've Got Options

Donaldson gives you the most options – choose Twist&Drain or OEM style filters. Durable and rugged, our replacement filters provide the flexibility to choose the system that you prefer.

Choose the Filter that Works for You

Twist&Drain™ Style Fuel Filters

- Easy to service – wide grip drain valve profile
- High performance filtration – performs as well as OE filters
- Self-venting drain – water removal is tool-free
- Accepts existing OEM water-in-fuel (WIF) sensors
- Optional water collection bowl for quick visual water inspection
